

L&CPU DELEGATES MEETING - 1.30 pm SATURDAY 3rd July - DIRECTIONS

Kirkby Library & Gallery, Newtown Gardens, Cherryfield Drive, Kirkby, L32 8RR

The Gallery is a splendid venue and there is some parking very nearby and plenty a little further away - all seemingly free, though restricted to 3 hours in places.

Kirkby is easy to get to, motorways practically to the doorstep, but take some care as you get near to locate the LIBRARY because you can only get to it on foot.

If you use GOOGLE EARTH to see where it is beware that it is incorrectly pinpointed. It is to the EAST of NEWTOWN GARDENS not the WEST as they show it. Anyway, you don't need GOOGLE EARTH, its all here!

GETTING TO KIRKBY

From the NORTH; M6 to J26, M58 to J1, then S on the A506 for KIRKBY - then in 3.6 miles the A506 takes a RIGHT TURN at the lights in KIRKBY - probably signposted M57 - take this because it is best to approach the Library via CHERRYFIELD DRIVE, which is the first exit from the next round-about.

From the SOUTH; M6 to 21a, M62 to J6, then M57 and at J6 take the A506 (R) for KIRKBY. In about one mile you take the RIGHT TURN into CHERRYFIELD DRIVE at the first round-about.

FINDING THE GALLERY

It is recommended that you take CHERRYFIELD DRIVE from the roundabout on the A506.

In 200m you see the BUS STATION/PULL IN - a crescent to the LEFT - your sat/nav may tell you to take the next LEFT - you can't, but just after this road (100m) look out for the NEWTOWN GARDENS, a pedestrianised area which has an arch over the entrance and is attractively laid out, THE LIBRARY FACES THIS SHOPPING AREA. It is a non-descript blue and purple flat-roofed 80's idea (but great inside).

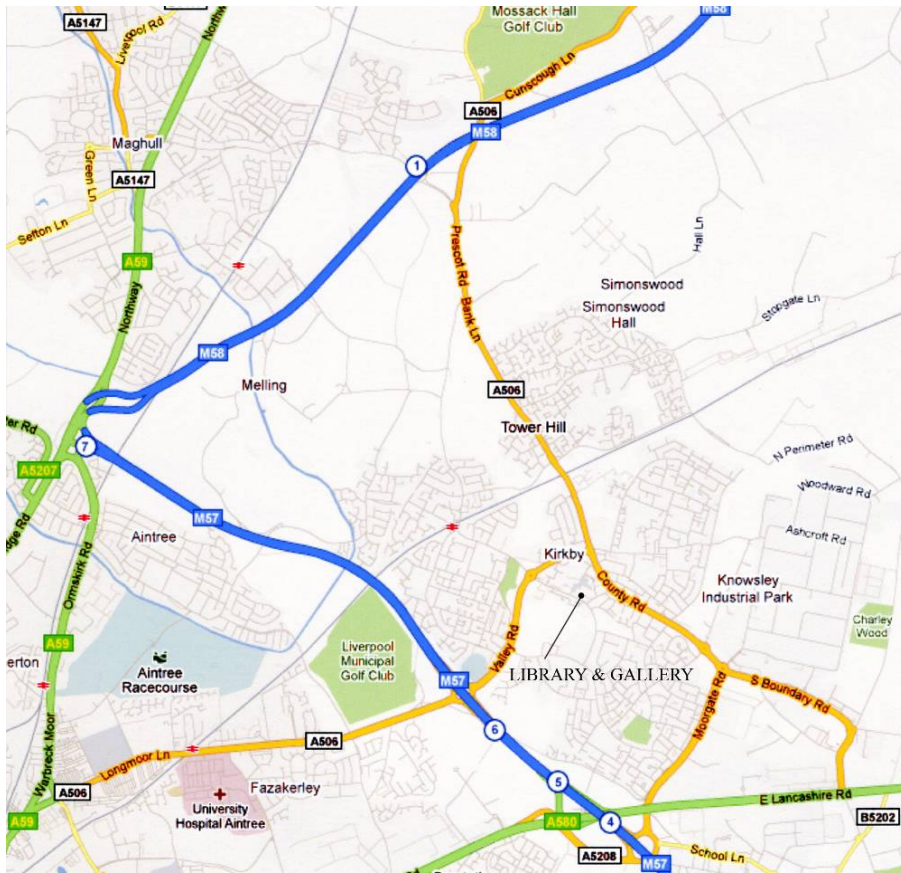

FOUND IT? Right, you now know where you have to walk to. You only have to park. Take the next LEFT into WEBSTER DRIVE and then IMMEDIATELY LEFT AGAIN. You are now behind the LIBRARY and will see the back of the SORTING OFFICE. There are two areas here where you can park.

You will find an alleyway through to Cherryfield Drive and the Library.

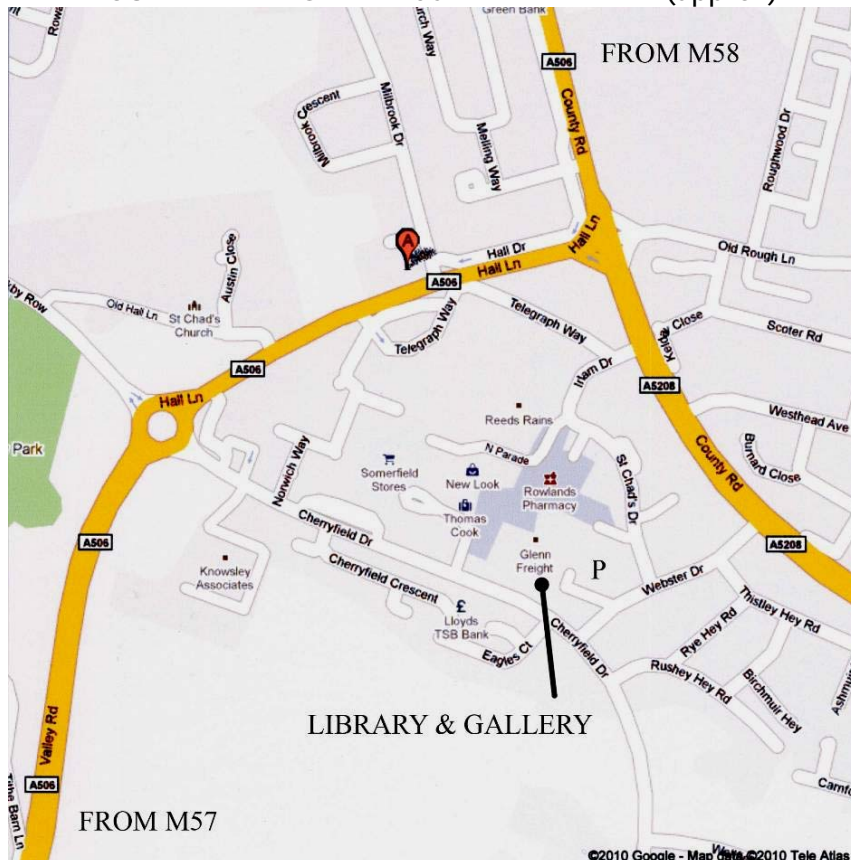

If these areas are full - just go back onto WEBSTER DRIVE, turn LEFT, take the next LEFT again and you go into an area with plenty of further parking. It is all low-rise stuff and easy to find your way.

We will try and get some signs up but please do not rely on that.

If you want to set your SAT NAV for the SORTING OFFICE it is L32 2AA, but I think it is essential to see where the LIBRARY is first.
