

We are dedicated to bringing you the best in UK photography with a mixture of technical and creative speakers.

Our October meeting has Ann and Steve Toon giving their talk 'Taking your wildlife photography to the next level'

"We're a Northumberland-based, husband and wife team of former journalists turned professional wildlife

photographers. Our special area of interest, expertise and our passion is the wildlife and wild places of southern Africa which we've been visiting regularly to photograph for the last 20 years. Our work is represented by a number of

leading photo libraries, we write features with our images for numerous magazines both in the UK and overseas, we have a number of photography awards and have had three books published on photography and

natural history. We have a deep interest in conservation, and, where we can, also use our journalism to explore and highlight the many complex issues affecting wildlife today. We run photo workshops in the UK and have recently

embarked on a successful new venture leading photographic safaris to some of Africa's most exciting photographic wildlife destinations."

More info at <http://www.toonphoto.com/>

Travelling by car

The centre is situated towards the bottom of Fluin Lane in Frodsham, for those with sat nav the post code is WA6 7QN.

From the M56 junction 12 follow the signs for Frodsham. At the traffic lights cross the swing bridge over the river Weaver. You will then be on Sutton Causeway leading to Bridge Lane. Continue for 800 yards past the zebra crossing and under the pedestrian footbridge then turn immediate left into Fluin Lane. The community Centre is 200 yards up the hill on the right hand side of the road.

Travelling by Public Transport

Frodsham Railway Station is approximately 1/3 mile walk from the centre.

Frodsham is on bus routes from Chester and Warrington.
