## Overview

Bring a Print, it's £1 a print and the pot will be shared between the winner and runner-up – so the more people who enter the bigger the reward.

This is a fun competition to help bring printing your images to the forefront of the competition arena

The event is open to all L&CPU club members

There is one open section in which to showcase your mounted prints.

There is no online entry requirement for this competition – just bring your print on the day

You will need to have your prints at the drop-off point by 0930 on the morning of the competition.

With the time available the judges do not have time to judge more than 150 prints; once we reach that number we will not accept further prints into the competition
